David Manderscheid

David Manderscheid is a Professor of Mathematics and Chair of the Department of Mathematics at the University of Iowa. Prof. Manderscheid received a B.S. in Mathematics from Michigan State University in 1976 and a Ph.D. in Mathematics from Yale University in 1981. He has held visiting positions at the Institute for Advanced Study in Princeton, the Mathematical Sciences Research in Berkeley and the University of Paris. Prior to becoming Chair of his department in 2001, he served as director of its graduate program for four years. His research interests are in representation theory and number theory.
