

Conference directions

From Munich Airport to Park Hilton Hotel

Take the S-Bahn (high-speed local train link) to "**Ostbahnhof**" (ca. 25 minutes) The S-Bahn is indicated with a round green S sign. There are 2 S-Bahn lines from the airport: S1 and S8: please only use the **S8**. Change at Ostbahnhof to the **54 Bus** in the direction of Münchener Freiheit. I have enclosed a timetable for this bus line. All those times marked with an x go to **Tucherpark**. This stop is almost directly in front of the hotel. If you have to take a bus which doesn't go to Tucherpark then the next best stop is **Tivolistraße**. This is a 4-5 minute walk from the hotel. There are signs to the hotel from the bus stop.

From Munich Airport to CESifo

Take the S-Bahn (high-speed train link) to Ostbahnhof. The S-Bahn is indicated with a round green S sign. There are 2 S-Bahn lines from the airport, S1 and S8. **Only the S8** goes to Ostbahnhof.

From Ostbahnhof take the 54 (direction Münchner Freiheit) bus to stop Mauerkircherstr; the journey takes about 10 minutes. From Mauerkircherstr. you can take the bus 187 in the direction Rümelinstrasse and get off at Poschingerstr. At peak times there is a bus every 10 minutes, otherwise every 20 minutes.

Alternatively you can turn right into Mauerkircherstr. and walk 5 minutes down the street where Poschingerstr. is the second street on the left. In most cases walking from Mauerkircherstr. is just as quick as taking the bus.

From Park Hilton Hotel to CESifo

The Park Hilton Hotel is just across the river from CESifo. You will need to walk up river (south) to the first bridge, cross the bridge and turn left to walk down river (north) for about 5 minutes until you come to Poschingerstr. The 54 bus would take you as far as the CESifo side of the river – bus stop Mauerkircherstr. From there you would still need to walk 5 minutes down river to Poschingerstr.

Taxis

Please note that we cannot reimburse the full cost of taxi transfers to and from the airport. The public transport system is, in most cases, as quick as a taxi ride.
